President's Report

Kerry MCInerney

In the short space of 5 months, your club has almost doubled membership and has produced an enthusiastic and hard working band of volunteers. A number of activities have been arranged and there is a range of options available to pursue. Please continue to show your support for these volunteers in a practical manner by attending, where possible, these functions. It is a great way to meet your fellow members.

A special thanks to our newsletter editor Doug Hayne and his wife Elaine and we wish them a safe and happy trip to USA and UK

Secretary's Report (Doug Hayne)

We have enrolled more new members this month and now have 82 paid up members.

The incorporation documentation will be submitted again for acceptance at this meeting. The committee met on September 18th and have now finalised the by-laws of the club for a vote of acceptance at the October meeting. Some queries concerning by-laws and the membership ceiling have been resolved by the committee and will be presented.

Our parent organisation, The Probud Clubs of South Pacific issues a quarterly magazine, copies of which have been displayed at our meetings. The committee have decided to subscribe for 50 copies for our members. When available, these will be held at the entrance to the meetings and will be available to members on request free of charge. We ask that one copy only be taken and shared by partners and friends so there are enough to go around. We will increase the number of our subscription as membership numbers grow.

I will be away for the October meeting date, however Peter Fishley will my stand in as Secretary at this meeting.

Please bring this newsletter with you for reference concerning any activities during the meetings.

Member Profile Kerry Mc Inerney Our President

I grew up in Williamstown during the war years, and completed secondary school at St Bernard's Moonee Ponds. I commenced work with the Forests Commission of Victoria in December 1952, and did my National Service Training at Puckapunyal in 1956. I was also involved with the CMF and rose to the rank of Lance Corporal. (So did Hitler). I went to Rome in 1957 with 56 other Australians on a Youth Group tour, being away for 6 months. I worked in Papua for two years from 1958 to 1960, with an oil exploration company and was retrenched on leave as no commercial quantities of oil were found. I met Pat and we were married in 1962. I joined the Ford Motor Company working in both the Finance and Supply areas and retired in 1998. We have six children and six grandchildren plus a Labrador dog named Seamus. I like to travel, go to the pictures and enjoy walking, reading, gardening and genealogy

We will make sure permission is obtained from the person celebrating the occasion before publishing.
