

President's Message

I was saddened to be advised on 26th September of the passing of our member Don Boyd.

A Service to celebrate his Life was held on the 2nd October and was attended by a number of our members.

Don joined Ellen in our Probust family after his retirement and enjoyed our friendship and fellowship.

I found Don to be a quiet and gentle man and I am sorry that I did not have the opportunity to get to know this loving family man better.

I'm sure you all join with me in extending our Sympathy and Condolences to Ellen and her family.

Jim Douglas has taken over door duties from Bob Anderson and in the next few months Jenny Morcom will step aside for another lady. Thank you Jenny and Bob for looking after attendance for so long.

Lorraine Cooper, in her position as Membership officer, will now look after the rotation of these positions every 6 months. Please add your name to Lorraine's list of volunteers for this duty. It's not a complicated or onerous one as money is no longer collected and it is a great way to get to know members.

In September we had outstanding attendances at all club activities. They were enjoyed by all who attended and congratulations to the organizers for these very successful events. On Friday 10th October our "Entertainers" get their chance to strut their stuff at the Seniors Multicultural Gathering to be held at the Manningham Function Centre. There has been a lot of hard work put into rehearsals under the coaching and tuition of Margaret Campbell and I'm sure it will be the hit item of the day.

Now that summer time is with us our picnics in the park will be at 5.00pm on the last or second last Thursday of the month. See the events list for dates.

I have decided that the group photo of members in their new club polo shirts should be postponed until our November meeting. Secretary Judy was keen to have the photo taken this month but as Judy and Alan, who were the instigators and driving force behind the project, will be away, I feel the photo should be postponed until they return and they too can be included in the photo.

"I like work. It fascinates me. I can sit and watch it for hours".
(Jerome K. Jerome)

Tan Gault.

Events & Outings (Elaine Hayne).

Barbecue at Birrarung

Back to the big barbie. Over 40 members and friends attended our last Sunday midday "Barbie at Birrarung" for this year.

It was nice to see the area surrounded by green again, even if it was a mass of dandelions. The rabbits have started to re populate the area and there were lots of walkers and bike riders around to add to the atmosphere. Very nice weather and we all enjoyed it.

Next "Barbie at Birrarung" is on Thursday 23rd October at 5pm (daylight savings) and then Nov 20th. These are the **second last Thursday's** as there are other club events on the last Thursdays of these months.

Tramboat Trip Number Seven

It was nice that our hosts on The Tramboat, Lisa and Anthony remembered some of our names as we boarded for the seventh trip. This is one of those excursions we could do any number of times and enjoy it. With sunny and shady weather but not so cold that a stint "Surfing The Tram" on the roof top as we ducked (at the bridges) and sipped as we admired at our port and river once again. A three and a half hour trip with morning tea on the tram and lunch at The Anglers Arms Hotel on the Maribyrnong River made this another great Probust experience. See the photos at the meeting.

The Brunch

On Tuesday September 9th over 50 members and friends attended "The Brunch" to raise funds for materials for the pillows and drainage bags the group make for breast cancer victims.

"Crafty" ladies did what they do well besides quality craft work, and prepared a magnificent feast that lasted from morning to well after lunch time, in fact a long brunch was had by all!

Our host Ron Duncan, Ray "Coops" Cooper and Alan Baker, took to the barbecue task complete with their chef's regalia. Later in the day when all were under the influence of merriment, Ray managed to sell a lot of quality, donated goods at auction. All of this was very entertaining and we all had a great day for a great cause. Oh! and there were early morning, late morning, early afternoon and late afternoon drinks flowing as well.

Over \$1000 was raised for a great cause.
See the photos at the meeting.

Getaway to Albury September 21st.

Golfers: Twenty Two members travelled to Albury for our latest golf getaway. We missed having Jim and Clare Douglas with us as they had to cancel at the very last minute.

Our accommodation was excellent set high on a hill overlooking parts of the city of Albury and surrounding countryside.

On Sunday afternoon 15 members set off to visit the Ettamogah Pub. It was a 10 minute drive (a little confusing for some) but everyone eventually arrived. It was a great place to visit and the museum dedicated to Ken Maynard was very well done with many of his cartoons displayed. Adrian managed to find a spot to leave his business card (it reads Retired, specialities: Wining Dining Dancing) and he is hoping to receive many phone calls. We all had a drink at the bar and then headed back to the Motel for happy hour, always a very enjoyable time.

Monday morning saw 14 starters on a very challenging golf course. The day was won by George Thomas with 37 points. Ian Gault proved he can now give lessons on how to get out of a bunker. His first 2 shots almost succeeded then the third shot landed straight in the hole without ever touching the green. A definite highlight of the day.

After lunch we all sat and watched as the sky turned a very strange and eerie colour. Soon after the heavens opened and it rained heavily for the next few hours. We were later told it was a result of the dust storm at Broken Hill, so you can imagine the colour of everyone's car. Due to bad weather the happy hour that evening was held in the Crosbies' room – never let it be said we would cancel this tradition.

Tuesday was a beautiful day and golf went ahead at 8.30am. We struggled with the course again and the winner on Tuesday was John Mugridge with 34 points. Congratulations to Leon Magree who was the winner over the two days with a score of 64 points. He won on a countback from George Thomas.

Many thanks once again to Laurine Eames for organising the walks for our non golfers. *Lyn*

Walkers: On the second day at Albury, a small group of walkers set off on the Monday for the wetlands area west of Albury. After an informative video on the area, the ranger advised us of threatening weather. Nevertheless we decided to continue. Not too far down the track, we got caught in a shower and had to set a cracking pace to get around the circuit. It was a very pretty area and a little disappointing that we were not able to spend more time there.

Later some members stopped off at a cafe in town and by sheer coincidence ran into Templestowe Valley members at the same coffee shop on their way to Canberra for the Floriade Festival. Small world!!

A red dust storm blew up Monday afternoon and we were told this was the topsoil from the wheat farms.

On Tuesday morning with the weather looking better we walked around the botanic gardens, saw the historic Hovell tree and continued on a Murray River walk. *Laurine Eames*

Fine Dining (Hugh Cornell)

Fine Dining is a good way of members getting to know each other a little better. It is necessary for leaders to let Hugh have a note of where and when you attended and a comment on the food and service, so that this can be entered in the Events Register.

See Hugh if you wish your name to be added to our list of diners.

Your leader will be in touch. *Hugh* 9855 8873

Jokes from the 1970's. Australasian Post

A man noted for his readiness with a sarcastic wisecrack was giving his twins an airing - pushing them along the footpath in their double-sized pram, when a well-meaning woman stopped him and gushed over the babies.

He barely curbed his impatience as she drooled on about how beautiful they were. etc. Finally she cooed. "Are they yours?" "No," snarled the man, "Only one of them, we only did it once".

A prim and proper old maiden lady who rarely left her home and was out of touch with modern living, found it necessary to go to the city on business.

At lunch time she selected what seemed to her a "respectable" restaurant and found herself sharing a table with a good-looking young office girl.

When she had finished her lunch the girl lit up a cigarette and the older woman flared into righteous indignation.

"Young lady," she snapped, "I would rather commit adultery than smoke in public!"

"So would I," said the girl, "But I only have half an hour for lunch."

A 1970's Pop Festival going on in a near-city rural area. An elderly man wanders into the stands at the back of the crowd. He watches the action on stage and runs his eyes over the spectators. He studies the antics of one young person and then addresses the person next to him:

"Just look at that kid over there; the hair—the cigarette—the jeans, I can't tell whether it's a- boy or a girl.

"It's a girl and she's my daughter."

"Forgive me, sir, I didn't know you were her father."

"I'm not" was the reply "I'm her mother".

A lady motorist driving along a country road became aware that a motorcycle policeman was tailing her- She was doing over 100Km/h, and she put her foot down in an effort to draw away.

It didn't work; the motorcycle cop was joined by another and both took on the chase..

Rounding a bend, the now desperate woman saw a service station coming up and came up with an idea. She turned off into the service station, got out of her car and dashed into the "Ladies." She waited about 10 minute's, then ventured out- again but, the policemen were still there, standing waiting near her car.

She approached the policemen and smiled shyly and said, "Thanks for the escort. I'll bet you two didn't think I'd make it," she said, but I did!!!. (Took the advice given last month!)

The Boss's new secretary was young, good-looking, smartly turned out, beautifully groomed and a bright personality; in other words a very good secretary. But her simple arithmetic was very weak..

After a few days her boss chipped her about it, "When you're about to show me figures," he said, "be sure to add them up at least three times before you give me the result."

And there she appeared the following day showing the boss a dazzling smile as she flourished a sheet of paper and said, "Mr Johnston, I've added these figures ten times!"

"That's a good girl," he approved. "Always be thorough.""And here," she beamed, putting the paper in front of her boss, "are my ten answers."

Togetherness is a fine thing, but dad was becoming irritated by the way his 20-year-old son had taken to wearing his (dad's) clothes without asking.

One night when the young fellow was dressed ready to take his girl friend out, dad exploded- "Isn't that my tie you're wearing?" he demanded.

"Yes, it is."

"And the shirt. That's my shirt, isn't it?"

"Well yes it is."

"And the belt, That's my belt, isn't it?"

"Yeah"

This was the last straw. "Why?" roared dad. "Why are you wearing my belt?"

The boy brushed the question aside. "Simple reason," he shrugged. "You don't want your pants to fall down, do you?"

Daringly and despite strong opposition from her mother, a young girl went down to the beach in her new topless swimsuit.

She returned, soon after, in tears, when her mother exploded. "I told you!" she shouted. "I told you that if you wore that shocking thing to the beach you would be embarrassed and probably arrested! What happened?"

"All that happened," sobbed the girl, "Was that some fellow came up to me and said, 'Got a match, mate'?"

A very small, timid man, a stranger to the district, went to a dance in a country town and eventually drew up the courage to ask a beautiful blonde girl for a dance.

The girl looked him up and down in a very haughty fashion and refused, with a cruel reference to the small man's physique. "I never dance with children," she said coldly-Then- small man bowed politely. "I beg your pardon," he said. "I wasn't aware of your condition."

On his way to work one day, a man's attention was caught by the sight of an elderly man walking along the side of the road pulling a piece of string after him. He wondered why he was doing this.

He wondered again the next day . . . and the next . . . and the next . . . Every morning the man saw the same thing, until he could no longer contain his curiosity. So, finally he approached the elderly man and said, "Excuse me, but why are you always pulling this piece of string along."

The old chap gave him a pitying look. "Ever tried pushing a line?" he said..
