President’s Message

Well I know we would all wish John Magill and his wife well in their quest to have brain finger printing recognised in Australia and that success brings them the peace of mind they are so obviously craving. What a terrible tragedy to lose a daughter in such circumstances. Well done, Margaret, for procuring John to enlighten us on this contentious subject.

January has passed in a flash. So many things we intended to get done in the down time – so many still to do! Fortunately it wasn’t as hot as expected but we still have February to get through.

In an effort to keep our Club Groups and Activities relevant to the requirements of its members, we decided at our January Committee Meeting to formulate a Member Survey. This Survey is attached as a two-sided sheet to the February Newsletter. We would like **each and every Member** to take the time to fill in this Survey and place it in the box that will be provided on the Front Desk at the February Fellowship Meeting. Those unable to attend this Meeting, please try to deliver it to a Committee Member before then. Completed Surveys will help the Committee in planning for the future.

Your Committee is delighted that we have nominations for all the office bearers for the Probos year commencing on 1st April 2010. However, if anyone has an uncontrollable urge to nominate for one of the vacant positions, our Secretary, Judy Baker, is still happy to oblige. The deadline for nominations is the end of the fellowship break at the Club Meeting on Monday 8th February.

At this meeting our speaker will be John Reid reporting on poetry, humour and life at the ABC. A little wine tasting will help things along. I should point out that this gentleman is not “our” John Reid but will, in fact, be thanked by our John Reid.

I am delighted to announce that once again a Kerseboom has solved the identity of my mystery object. Last time it was Jenny and this time it is Jacob. The answer is the “Melway Street Directory” and I hope that over the months you have learnt something new about this Melbournian so familiar to us all. My last clue would have been “a lot of Melbournians would be lost without me” which would surely have given the game away. Congratulations to all who have indulged me in this endeavour and especially to Jake who tells me his preference is for red wine!

Liz Turner

Trips (Elaine Hayne)

A Day at the Blue Lotus Gardens – Yarra Junction

On 5th January, 26 members car pooled to Yarra Junction to attend the club's second visit to the Blue Lotus Gardens. Starting with a coffee in the cafe and ordering our sandwiches for lunch, we wandered around at our own leisure among the exotic flowering water plants in the artificial lakes and other plants surrounding the lakeside. A photographers paradise where point and shoot is the method no matter what camera you have. A large, interesting, and quiet swan swimming in the lake was being photographed when it was noticed that it was moving about backwards. We

thought we may get away with some nice images of it without the fact that it was a floating replica being noticed. The plants were well labelled and many had been given names like the "Beryl Lotus Flower". These were also for sale in the shop. After several hours walking around the extensive site, a nice lunch and of course some shopping in the shop, we moved on home. A wonderful experience.

See some of the photos at the February meeting. *Doug Hayne*

1940 - A Fabulous Vintage!

Were you, like us, born in 1940?

2010 is our BIG YEAR (whether we like it or not!)

Let's make the most of it and get together to CELEBRATE!

The 41'ers gave themselves a party.

We shouldn't let them have all the FUN.

We will organize a venue and a date, perhaps in late April, between Probus trips and other travels.

Please let us know, at the next meeting, if you are "eligible" and interested.

We look forward to celebrating with you

Petrol in Paris

A thief in Paris planned to steal some paintings from the Louvre. After his careful planning, he gets past security, manages to steal the paintings and make it safely to his getaway van. However, he is captured only two blocks away when his van of all things, runs out of **petrol**. When asked how on earth he could mastermind such a daring crime and then make such a foolish error, he replies.

"Monsieur, dat is de reason I stole de paintings. I had no Monet to buy Degas to make de Van Gogh."
