President's Message January 2010 (Liz Turner)

Well folks, this is my final President's Message! I've enjoyed chatting to you over the past twelve months - I'll have to start talking to George again now that my time is up!

It is nice being able to put a face to the voice of John Reid, ABC Newsreader, now that we have seen him in the flesh - not at all what I had expected, somehow. Another excellent speaker arranged for us seamlessly by Margaret McGregor. Although Margaret has organised several of this year's speakers in advance, officially, her time as Speakers Organiser ends on 31st March. As she and Ron will be away at the April Meeting, I would like to say now that we are all much indebted to her for the calibre of speaker she has produced for us over the past three years. She has done a wonderful job. In the future, she'll be able to sit back and be entertained like the rest of us. Thank-you, Margaret for all your hard work!

I am delighted to report that your response to this month's Survey was extraordinary. One hundred and four completed surveys out of a possible one hundred and thirty. (It's not too late for the other twenty-six members to have their say - the box will be on the front desk again at the AGM.) The statistics have been collated and your comments and suggestions noted. The Committee will decide upon its next move at its Meeting on 1st March.

I feel as though I'm handing over the Club to Doug Hayne in very good condition. With 115 members attending our February Meeting and 104 members completing the survey, surely this is as good an indication as you could get of a healthy and vibrant club. Well done!

Judy Baker and other Committee Members have spent a lot of time and effort putting together our Annual Report for the year 2009/10. This will be available for reading on our website from next Monday and hard copies will be available at the Meeting on 1st March. I encourage you to read through this official document of our Club's "doings". Should you accept this challenge, you will then need a "bex and a good lie down". How can us retirees accomplish so much in one year? We're supposed to be winding down - not up!

Trivia of the month: There is a delightful little program on ABC TV on Tuesday and Thursday nights just after 6.00 p.m. called "Miniscule". It is a series of whimsical little five minute cartoons about insects and is produced by a French Company called Futurikon. We're hooked!

George and I are looking forward to presenting the DVD of our trip to South America in 2008, following the AGM on Monday 1st March in the Bulleen and Templestowe Community Centre. Liz

I have not received any written agenda items to be addressed at the Annual General Meeting.

Probud Club of Templestowe Valley Inc. 2009/10

Annual Report

The Annual Report for 2009/10 is now available on the Internet. Copies will also be available at our Annual General Meeting. I would like to thank all committee members and activity leaders for their input into our Annual Report. This is a change of date as well as venue. Please note that there will be a premium on car parking spaces on that day and it would be prudent for members to come together in the same car if at all possible. The hall will open at 9.00am for activity bookings. The meeting will commence at 9.45am. As this is my last report as Secretary, of the Probus Club of Templestowe Valley Inc., I would like to give a "BIG" thank you to all committee members I have worked with over the past three years their support and encouragement has been appreciated. Coffee Filters

(Better than paper towels and a lot less expensive)

1. Cover bowls or dishes when cooking in the microwave. Coffee filters make excellent covers.
2. Clean windows, mirrors, and chrome... Coffee filters are lint-free so they'll leave windows sparkling.
3. Protect China by separating your good dishes with a coffee filter between each dish.
4. Filter broken cork from wine. If you break the cork when opening a wine bottle, filter the wine through a coffee filter
5. Protect a cast-iron skillet. Place a coffee filter in the skillet to absorb moisture and prevent rust.
6. Apply shoe polish. Ball up a lint-free coffee filter.
7. Recycle frying oil. After frying, strain oil through a sieve lined with a coffee filter.
8. Weigh chopped foods. Place chopped ingredients in a coffee filter on a kitchen scale.
9. Hold tacos. Coffee filters make convenient wrappers for messy foods.
10. Stop the soil from leaking out of a plant pot. Line a plant pot with a coffee filter to prevent the soil from going through the drainage holes.
11. Prevent a Popsicle from dripping. Poke one or two holes as needed in a coffee filter.
12. Do you think we used expensive strips to wax eyebrows? Use strips of coffee filters.
13. Put a few in a plate and put your fried bacon, French fries, chicken fingers, etc on them. It soaks out all the grease.
14. Keep in the bathroom. They make great "razor nick fixers."
15. As a sewing backing. Use a filter as an easy-to-tear backing for embroidering or appliquéing soft fabrics.
16. Put baking soda into a coffee filter and insert into shoes or a closet to absorb or prevent odors.
17. Use them to strain soup stock and to tie fresh herbs in to put in soups and stews.
18. Use a coffee filter to prevent spilling when you add fluids to your car.
19. Use them as a spoon rest while cooking and clean up small counter spills.
20. Can use to hold dry ingredients when baking or when cutting a piece of fruit or veggies.. Saves on having extra bowls to wash.
21. Use them to wrap Christmas ornaments for storage.
22. Use them to remove fingernail polish when out of cotton balls.
23. Use them to sprout seeds.. Simply dampen the coffee filter, place seeds inside, fold it and place it into a plastic baggie until they sprout.
24. Use coffee filters as blotting paper for pressed flowers. Place the flowers between two coffee filters and put the coffee filters in phone book.
25. Use as a disposable "snack bowl" for popcorn, chips, etc.

AND BY THE WAY, THEY ARE GREAT TO USE IN YOUR COFFEE MAKERS TO!
